COMMENTS: Waiver request was sent in by Treasurer John Constant via certified mail. He states that typically they do not have difficulty meeting the monthly deadline, but their area in Lafourche Parish was dealt a difficult recovery following Hurricane Ida. He said that although their office was spared any physical damage, they were unable to conduct any operations from the office due to lack of power and internet services. He asks for consideration and understanding of the unintended consequence of having the inability to conduct normal activity for over 15 days. He asks that the Board waive the late fees based on their situation like so many in their community.

Re: Late Filed August Report

Dear Sir or Madam,

Our August 2021 monthly report due September 10<sup>th</sup> was filed late. Typically, we have no difficulty meeting the monthly deadline, but our area, the parish of Lafourche, was dealt a difficult recovery following the passing of Hurricane Ida. Although our office was spared major physical damage, we were unable to conduct any operations from the office due to lack of power and internet service in our area.

We would appreciate your consideration and understanding of this unintended consequence of having the inability to conduct normal activity for over 15 days. We ask that you approve a waiver of the late fees based on our situation, like so many in our community.

Thank you for the opportunity to explain our circumstances.

Sincerely,

John Constant  
Treasurer
